## Chaplain's Message:

### New Year's Resolutions

Scripture: Matthew 6:33 "But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you."

We are approaching the time of year when thoughts are turned to the coming new year and reflections are made on the year past. With the coming of a new year, tradition for some is to make some "new year's resolutions". Many make a list of the things that they are resolved to change in the coming year. Among these are to: lose weight, start exercising, stop smoking, work harder (or smarter), complete your "honey do" list, start a new car project or finish one. Many resolve not to repeat past mistakes, whatever they may be. Anyway the list goes on and on but in most cases the result is the same. Surveys tell us that the majority of "new year's resolutions" don't make it until February!

What is your "new year's resolution"? What is it about your life that you want to change? I know that I have made "new year's resolutions" in the past and with results that are pretty normal. Possibly the need is to turn our focus to what is really important.

When Jesus was teaching in the book of Matthew, He addressed the anxiety of those in the multitude. Their concern was for what they should eat, what they should drink or what they should wear. He understood the frustrations they all faced and that we still face today. We want to make corrections in our lives, we want all the things this life offers and more, but most of all we want to control the circumstances surrounding our lives.

If we read Matthew 6 starting in verse 24 and continue through verse 34 we will begin to see where our main focus should be. I especially like the thought in verse 27, "Which of you by taking thought can add one cubit unto his stature?" Can we worry enough to get taller? By being anxious will it happen? Absolutely not!

"But seek ye first the kingdom of God, and His righteousness; and all these things shall be added unto you." Does that mean that if we seek God we'll get everything? Maybe not, but with the proper focus we can understand what is important and what His plan is and then we shouldn't be anxious about things. What a great way to start the new year!

This year, instead of "new year's resolutions" let's begin but seeking God's kingdom and His righteousness first. What a difference He can make!
